New website

Yamada Europe is proud to announce its new website to you. From today, www.yamada-europe.com is operational. We invite you to visit our website and check the new design.

As you can see in below picture, you can find the log in section in the "Distributor login" menu. From here, the website looks the same as before. Ordering with ACIOS will not change.

Should you have any questions, or if you are not able to find certain things, please send an e-mail to Christine Moelard, c.moelard@yamada.nl.
